The Collection

The Küche Collection

The Küche Collection is the premium choice for homes, as it provides convenience and sleek aesthetics in a seamless integration of smarter living experiences. Featuring Wi-Fi-enabled gas-powered home solutions that are lower in carbon emissions and more eco-friendly, the Küche range allows you to control your gas appliances even before you reach home – at the touch of a button within an app.

01 Start Your Cooking Journey with a Smart Gas Hob
Pg 6-7

02 Chase Away Odours and Cook in Comfort
Pg 8-9

03 Enjoy an Easy and Fuss-free Lifestyle
Pg 9

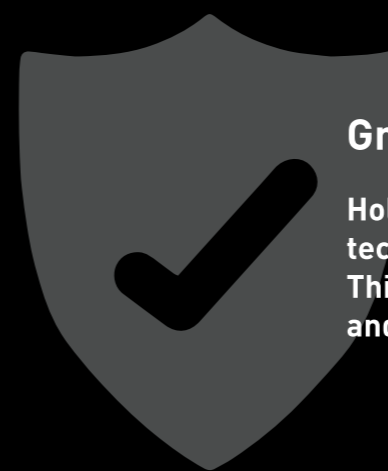

04 Unwind Instantly with Smart Gas Water Heaters
Pg 10-11

Step into a realm of sophistication that extends beyond your kitchen.

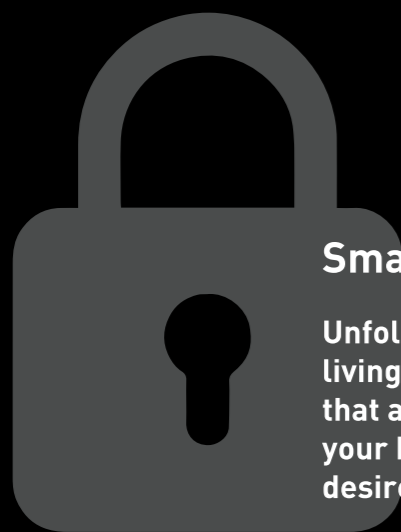

Wi-Fi-powered

Intelligent in the true sense of the word, the Küche Collection is engineered to be controlled remotely via the iAppliances app. Make “smarter home” a reality with remote turn-off, remote speed control, on/off scheduling, and so much more.

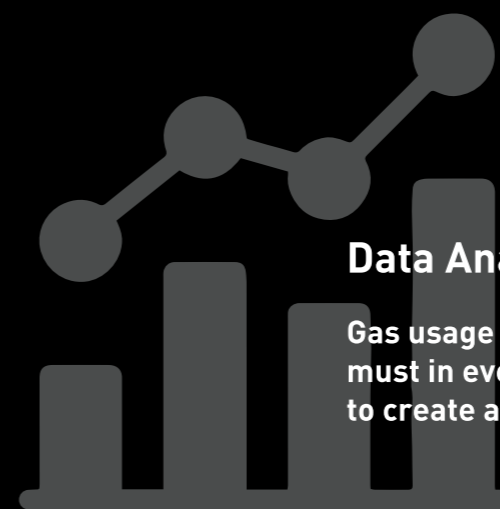

Greater Assurance

Holistic safety features powered by our state-of-the-art technology truly deliver a smarter home experience. Think timer functions, app-triggered notifications and alarms.

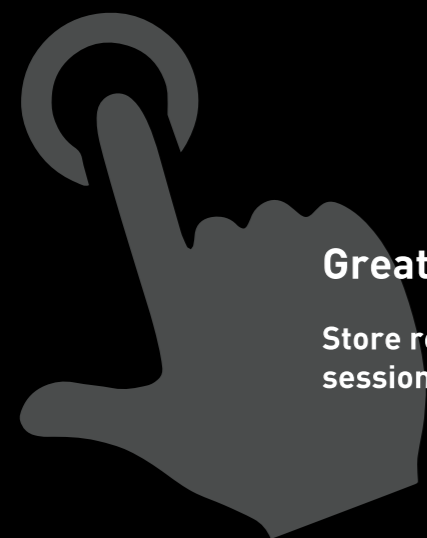

Smart Interlocking

Unfold a new chapter in your life with seamless, integrated living like never before. With our smart interlocking features that allow you to connect your Küche appliances, turn on your hood automatically with your smart gas hob – at your desired settings.

Data Analytics

Gas usage data analytics further epitomise why Küche is a must in every exquisite home, as style and functionality meld to create a truly elevated range of smarter home solutions.

Greater Convenience

Store recipes for ease of baking and indulge in hot shower sessions with in-built settings tailored to your needs,

More Eco-Friendly

Town gas helps you to reduce your carbon footprint. Save the earth while achieving that smarter lifestyle you have been dreaming of. Enabled by town gas, the Küche range will do just that for you and your future generations.

Start Your Cooking Journey with a Smart Gas Hob

Whether you are the occasional, experimental chef or the culinary maestro at home, the classy Küche gas hob will always be here for you to achieve that *wok hei* aroma that only gas can give. What's more, cooking with gas reduces your carbon footprint as town gas is lower-carbon solution.
